Has Some of the Largest and Finest
Birds in State, Weighing
38 Pounds.

Mrs. Nicolina Madorno of this town is a progressive business woman. Through her business efforts Oxford can now boast of some of the largest and finest turkeys in the state. Mrs. Madorno operates the Turkey Farm she owns and Madorno turkey farm, located in Oxford Center. The farm has a flock of about 100 turkeys, ranging in size from eight to 38 pounds. Everyone is healthy and milk fed and guaranteed to be tender and delicious eating.

Mrs. Madorno carries backbooks at all times and has turkey dinners when ordered in advance and can accommodate 50 persons at a time. She also raises fine native turkeys to take out at small extra cost. Directions to her she is doing a pecuniary business, and a visit to her interesting establishment is well worth while.
